groupage departure turn of the year 2023/ 2024

Dear customers,

An exciting year is coming to an end with great strides. In the last few months we have faced common challenges, which we have mastered in partnership. Already now we would like to thank you for the good cooperation and the trust in the service of the Mäuler Group.

As in every year, fewer goods are transported during the Christmas period, so that we adjust our regular departures over the turn of the year as usual. As a result, the transit times of your consignments may be extended or delivery delayed at the turn of the year. Our partners are also restricting their transports, so that imports may be equally affected.

Please see the departure schedule below for the exact departure days for the corresponding routes.

Additional departures are also possible for FTL/LTL and special dedicated services.

Please note that the last departure does not guarantee delivery, depending on the destination, before the holidays or over the turn of the year. Delivery dates require proactive arrangements and written confirmation.
